1. DUSKIRT-2 HAS ASKEU IF WE COULD OBTAIN FOR MIN THE CURRENT ADDRESS OF MANUEL ARTIME. D-2 WAS FRIEND AND COLLABORATOR OF ARTIME FROM 1959 UNTIL THEY LOST CONTACT WITH EACH OTHER IN 1968. WHEN D-2 FIRST CAME TO PERU HE CARRIED LETTER SIGNED BY ARTIME IDENTIFYING HIM AS ARTIME PERSUNAL REP IN PERU.

2. D-2 WANTS TO CONTACT ARTIME TO ASK HIS HELP IN GETAINING NICARAGUAN PASSPORT. HE CLAIMS ARTIME RELATIONSHIP WITH SOMOZA IS SUCH THAT ARTIME COULD DETAIN FOR D-2 NICARAGUAN PASSPORT AND PERHAPS SOME TYPE OF HONORARY CONCUL DESIGNATION. D-2 WILL WRITE LETTER TO ARTIME EXPLAINING HIS SITUATION AND WILL ASK STATION TO POUCH LETTER TO MIAMI FOR MAILING THERE EITHER DIRECTLY TO ARTIME OR TO D-2 SISTEM FOR MEN TO DELIVER PERSONALLY TO ARTIME.

3. AS ABOVE INDICATES. D-2 REMAINS PREOCCUPIED WITH FACT RE DOES NOT POSSESS VALID PASSPORT. HE HAS TRIED NUMEROUS SCHEMES TO OBTAIN SAME WITHOUT SUCCESS. HE STRONGLY FEELS HE MUST HAVE DOCUMENTATION TO LEAVE PERU IF NECESSARY. HE WORRIES ABOUT

HE ADMITS THAT HIS EXPERIENCES IN CUBA AFTER CASTRO'S TAKEOVER COLOR HIS PERCEPTION OF THE DANGER IN HIS CURRENT SITUATION BUT HE IS NOT WILLING TO REMAIN VULNERABLE TO SIMILAR DEVELOPMENT IN PERU. EVENTS OF THE PAST FEW DAYS HILL OF COURSE NOT REASSURE HIM RE THE SITUATION MERE.

- OUT TWO YEARS AGO, AMBIDDY-1 WAS AUTHORIZED TO HOLD ROUGH EQUIVILENT OF WEAPONS TO ARM CHE RIFLE COMPANY.

 WEAPONS STORED AT THE MONKEY POINT OPS BASE, AT EL BLUFF SUPPORT DASE, AND IN MANAGUA. ABOUT ONE YEAR AGO, MONKEY POINT BASE WAS CLOSED AND WEAPONS THERE MOVED TO EL BLUFF. STORAGE IN SEALED CONCRETE VAULT UNDER THE FLOOR OF SAFEHOUSE WHICH IS ON UNINHABITED SIDE OF BLUFF NEXT TO AIRSTRIP BUILT BY AMWORLD. 4. AMBIDDY-1 CONTACTED JAMES D. ZABOTH 4 MARCH, SAID HE CLOSING OUT ALL HIS STATIONKEEPERS IN NICARAGUA, DID NOT WANT TO ABANDON WEAPONS TO FALL INTO WRONG HAMDS, NOR TO GIVE THEM TO NIC GOVI. GENERAL SOMOZA KNEW AMWORLD WAS LEAVING BEHIND SOME RESERVE EQUIPMENT AND WOULD KEEP ENOUGH WEAPONS FOR LOCAL SECURITY. HE DID NOT KNOW NUMBERS AND TYPES REMAINING. AMBIDDY-1 ASKED IF WOFACT WISHED TO RECOVER WEAPONS, OTHERWISE HE WOULD HAVE TO DUMP THEM IN OCEAN. ZABOTH, AMBIDDY-1 AND AMJAVA-4, WHO IN MANAGUA ON OTHER BUSINESS, VISITED BLUFF ISLAND 6 MARCH TO CHECK SITUATION. IF HQS WISHES RECOVER WEAPONS, MOST FEASIBLE METHOD IS BY AIR. A CARIBOU OR C-123 TYPE AIRCRAFT COULD LAND ON BLUFF STRIP, LOAD WEAPONS AT NIGHT AND FLY THEM OUT NEXT MORNING. IF HQS DOES NOT WISH RECOVER WEAPONS, AMBIDDY-1 COULD BE TOLD TO MAKE OWN ARRANGEMENTS TO DUMP WEAPONS AT SEA.

5. DESPITE AMBIDDY-1 DESIRE NOT INFORM SOMOZA ABOUT ARMS CACHE, COS FEELS THAT SOMOZA SHOULD BE INFORMED IF

22.1

PAGE 4 MANAGUA 6844 S E C R E T

NOS DECISION IS THAT ARMS SHOULD BE RECOVERED. SONUZA COULD BE TOLD THAT "SOME EQUIPMENT" LEFT BEHIND BY AMWORLD GROUP NOW STORED AT BLUFF AND LINHARP WISHES RECOVER. BELIEVE HE WOULD AGREE TO AIRCRAFT PICKUP AS PROPOSED ABOVE. IN STATION OPINION BLACK RECOVERY WITHOUT SOMOZA KNOWLEDGE TOO RISKY. STATION ALSO FEELS THESE VEAPONS SHOULD BE REMOVED FROM CENTRAL AMERICA LEST THEY FALL INTO WRONG HANDS.

SUBJECT : Eduardo SUAREZ-Rivas y Morales

Eduardo SUAREZ-Rivas Morales, born 8 January 1935, is a Cuban national and a son of former Cuban ex-Senator Eduardo SUAREZ Rivas. SUAREZ was arrested for counterrevolutionary activities in Cuba in the early 1960's and was released from prison and allowed to come to exile in the U. S. in 1962 with return of the ransomed 2506 Brigade members. He was involved in public relations for Hanuel Artime's exile group, the Revolutionary Recovery Movement, in the mid-sixties. He did not work for CIA, and there is no record of any attempt by CIA to recruit him.

MEMORANDUM FOR THE RECORD

SUBJECT: Manuel Artime

- Artime was an INRA official in the Castro regime in 1959 but broke with it in late 1959 or early 1960 over a communist issue and was exfiltrated by CIA. He was the political representative for Brigade 2506 and was captured during the Bay of Pigs. He was sentenced to be executed but this was later commuted by Castro to life imprisonment. In 1962 Artime was released to the U.S. as part of a prisoner exchange.
- From June 1965 through April 1965 Artime conducted paramilitary operations (Project AMWORLD) against Cuba under the political banner of his exiled group, Movimiento de Recuperacion Revolucionaria (MRR). The Project expenses during this period were approximately \$7 million. The Support was terminated effective 1 May 1965 but support for political operations was restored in June 1965 at the rate of \$15,000 per month. This was scaled down to \$5,000 a month in September 1965, to \$3,000 a month in June 1966, and terminated on 31 December 1966. Artime accepted this termination gracefully in a meeting on 13 January 1967. That ended the formal operational relationship with Artime, although he maintained informal contact with CIA, most recently with Robert Shaw when Shaw was COS, Managua.

Kennedy. About the time that Subject was involved in this investigation, it was said of him that he liked to boast about his influence and convects. Information from Earth 19th indicates that Subject was engaged in narcovics trafficking along with his brother, Carlos, and Roberto VEGA (in Puerto From), Ermesto VENERO (Brigade 2500 member); Eaul LUAL (in Dominical Republic. He is a stoady gambling dealer in Lus Versa clubs); Juan CARLIA (fisherman); (fnu) CUSA, engineer of the fishing by at "El Viojo Comma"); Ramba DONISTEVES (appears as a revolutionary to cover his illegal activities); Aton CONSTANZO and his brother Abelino CONSTANZO; and Julian VALDEZ VIIIa (aks "Mogrete").

Subject is presently living with his second wife (he had 2 daughters and a son by his first wife) at 2700 S.W. 23rd Torrace, Apt. 403, Hismi. In early 1972, he was visited by suspicious looking persons who often parked their cars at some distance and tried to enter and leave the building without being seen. One young man, a Vietnam vetoran, did not enter Subject's apartment but took a hidden key to open Subject's car trunk and place there a package he had brought. Subject has a heart condition. These wisits have stopped since early spring 1972.

B. Manuel ARTIME. This jeck's Anti-Castro activities are well known, as is his general prominence in the Ctoan exila community in Miami. Therefore, extensive traces on him are not being included eince such of the information is surely already available to you.

G. Reinaldo TORRENIE: The only information we have on hand

his arrival. About that time, he was always accompanied by one Manolito RODRIGUEZ. MENORALIPUM FOR: Deputy Chief, Mestern Menisphere Division

SUBJECT : Dr. Manuel Artime Ruesa

1. Dr. Manuel Artine Buesa has been a close friend of mine since we first met in Micaragua in late 1966 or early 1967. It was as a result of Artine's revelations at that time that we recovered several tons of AMMORLD arms and munitions which had been secretly buried at El Bluff. I last saw Artine in Texucigalpa in July or the first days of August 1972.

- 2. Artime's business activity has narrowed down pretty much to exporting meat from Central America and arranging its importation into the United States at Miami. His principal partner abroad is General Anastasio Somoza Debayle of Nicaragua. I am not sure with whem he deals in the U.S. although he has mentioned on a couple of occasions a business connection with Edgard Buttarri (not sure of this spelling) who, in turn, is supposed to be tied in with "Bebe" Rebozo. I have also heard Artine mention the "United States Meat Company" or the "American Meat Company" (not sure which) as an importer of his Nicaraguan meats.
 - 3. Artime was quite active during the past year trying to get a meat export business going in Honduras. Acting in concert with Somoza, and using to some extent the Honduran connections of Teofilo Cmar Rabun Franco (another close friend of mino). Artime was attempting to refurbish an idle neat packing facility at Puerto Arturo on the north coast of Honduras near Tela. The principal motivating force in this Honduran venture was to have been General Oswaldo Lopez Arellane. After repeated attempts to pot the business rolling, Artime threw up his hands in disgust about July 1972 owing to Lopez' failure to carry through on the Fonduran end. Artime told me that Lopez was "crazy" and "abnormal" (Artime is a psychiatrist) and that

he was going to advise his associates in Nicaragua and the Miami area to forget about doing business in Fonduras.

- 4. Artime lives in "liami and commutes often to Managua, always flying on Lanica Airlines (owned by Somoza). Then in lianagua he usually stays at the home of Jose Fernandez de la Torre (still another close friend of nine).
- 5. Artime said he would keep me supplied with Nicaraguan steaks during our stay in the U.S. and made me promise to get in touch with him after we get settled in. I have not yet done so. If you wish, using this pretext I can contact him and elicit more up-to-date information on his commercial activities.
- 6. It might also be added that Artime is a long-time friend of Howard Hunt.

3. ON HIS ARRIVAL IN HANAGUA, ARTINE WAS NET BY CAPTAIN PEREZ (FINI) WHO TOLD ARTINE THAT AN INTERVIEW WAS ARRANGED FOR THAT NIGHT, 22 MARCH, WITH LUIS GONDEA. THE NEETING WAS HELD AS ARRANGED AND LASTED FOR OVER THREE HOURS. THE SUBSTANCE OF THE NEETING WAS AS FOLLOWS:

- A. SCHOZA SAID THAT ARTINE COULD TALK WITH SCHICK, BUT SCHOZA WISHED TO EXPLAIN HE CONSIDERS SCHICK AN INDEPENDENT AGENT AND NOT AN EXTENSION OF HIS (SCHOZA'S) RILE. HE SAID SCHICK BY HIS OWN RIGHT HAS PRESTICE, AND WOULD NEVER CONSENSON, AS FAR AS SCHICK'S FUTURE PROGRAMS WERE CONCESSED, SCHOZA SAID SCHICK HIMSELF WOULD DISCUSS THIS WITH ARTINE)
- B. SCHOZA SAID HICARAGUA HAS GREAT INTEREST IN BETTERING ITS RELATIONS WITH LIBERAL DEMOCRATIC GOVERNMENTS, AND AS AN EXAMPLE "SINGUED." OUT VEHERUELAS
- G: SCHOZA CONCENTED ON THE DOMINICAN REPUBLIC AND MADE IT CLEAR HE HAS LITTLE USE FOR JUAN BOSCH Y. GAVING. HE SAID HE IS FIRMLY CONVINCED THAT SOSCH HAS MADE A PART WITH THE CONCENTISTS.
- THE HOURS. SCHICK HADE THE FOLLOWING POINTS:
- A. THE IMPORTANT TASK FOR NICARAGUA IS TO RID ITSELF OF THE "DICTATOR"

 YAG. SCHICK SAID THAT BY BRINGING THE OPPOSITION INTO THE GOVERNMENT, AND LETTING

 THE OPPOSITION SHOW IN THE GOVERNMENT, HE IS CONVINCED THAT NICARAGUA CAN PROGRESS

 TOWARD A DEMOCRATIC MONEY AND THE COTABLISHMENT OF A SOCIALIST STATES
 - B. SCHICK'S GOVERNMENTAL PROGRAM INCLUDES VORKING FOR SOCIAL JUSTICES

CONFIDENTIAL

ACCUMATION - STREMBIANCE CONTEST

- G. SCHICK WISHES TO IMPROVE RELATIONS BETWEEN NICARAGUA AND COSTA RICA AS WELL AS WITH VENEZUELA. HE SAID HE WANTS TO CONCENTRATE HIS EFFORTS ON INTERNATIONAL RELATIONS, PARTICULARLY WITH CENTRAL AMERICAN COUNTRIES, AND THUS HELP ESTABLISH THE CENTRAL AMERICAN COMMON MARKET.
- D. SCHICK IS CERTAIN IN HIS OWN MIND THAT LUIS SOMOZA HAS NO INTENT
 OF RETURNING TO POLITICS, AND ADCED THAT HE, SCHICK, ASKED GENERAL "TACHO" SOMOZA
 TO STAY ON AS CHIEF OF THE ARMED FORCES. HE EXPLAINED THIS AS GOOD POLITICS, SAYING
 SOMOZA'S PRESENCE WOULD KEEP THE MILITARY IN CHECK AND ALLOW TIME FOR IMPLEMENTING
 REFORMS. HE HOPED THAT ON THE EXPIRATION OF HIS, SCHICK'S, TERM OF OFFICE, NICARAGUA
 WILL HAVE PROGRESSED TO THE POINT WHERE SOMOZA'S PRESENCE WOULD NO LONGER BE
- THE ANTI-CASTRO CAUSE CLANDESTINELY, BUT SCHICK ADDED THAT SUCH HELP IS CONDITIONED UPON THE IMPLIED APPROVAL OF PRESIDENT JOHN F. KENNEDY. IF SUCH APPROVAL IS GIVEN ARTIME CAN COUNT ON NICARAGUA'S SUPPORT.
- 5. SUBSEQUENTLY, AS AN ADDITIONAL CONDITION, SCHICK SAID THAT IF PRESIDENT KENNEDY APPROVES, AN AMERICAN REPRESENTATIVE MUST BE SENT TO CENTRAL AMERICA TO COORDINATE THIS EFFORT.
 - 3. FIELD DISS. : STATE (MIAMI).

GIVEN, WOULD PROBABLY REPORT HIM TO FBI, CIA, BORDER PATROL, "OR TO THE BOY SCOURTS". AMBIDDY THEN BROKE OFF CONTACT WITH RODEZHO AND DECIDED THENE NO REASON TRAVEL TO SALVADOR.

TWO DAYS LATER RICARDO ZUNIGA OF HONDURAS APPEARED IN MIAMI AND CONTACTED AMBIDDY. HE ALSO HAD LONG SHOPPING LIST RANGING FROM SMALL ARMS TO ONE THOUSAND POUND BOMB. MEETING TOOK PLACE IN DUPONT PLAZA HOTEL AND ZUNIGA WAS ACCOMPANIED BY HONDURAN CONSUL "MIKE" (LNU). AMBIDDY GAVE THEM ESSENTIALLY SAME STORY, COMMISERATED WITH THEM, AS HAD WITH RODEZNO, SUGGESTED THEY WOULD DO BETTER TO SHOP IN EUROPE. FOR EXAMPLE BELGIUM OR SPAIN, WHO WOULD SELL TO ANYONE. ZUNIGA ASKED IF AMBIDDY THOUGHT FABRIQUE NATIONAL WOULD GRANT CONFIDENTIAL COMMISSION (KICKBACK) OF AT LEAST TEN PERCENT. AMBIDDY ASSURED HIM FN WOULD. ZUNIGA TOLD AMBIDDY THAT IF HE. ZUNIGA, SUCCEEDED IN OBTAINING KICKBACK FROM FN, AMBIDDY COULD EXPECT TO RECEIVE NICE PRESENT. AMBIDDY HAS HEARD NOTHING SINCE FROM ZUNIGA BUT HAS HEARD FROM CONTACT IN HONDURAS THAT ZUNIGA BOUGHT ARMS AND AMMO FROM FN AND BOMBS IN PORTUGAL. PORTUGUESE GAVE HIM FIVE PERCENT RAKE-OFF. ZUNIGA TRAVELLED TO EUROPE ON HONDURAN PASSPORT IN ALIAS.

: Chief, Wh Division 2. Chief of Station, Managua 3. Chief of Station, Managua 3. Information Received from AMBIDDY-1 3. Information Received from AMBIDDY-1 3. Attached (USC) for the information of Headquarters is a copy of a memorandum prepared for the LNPURE Chief on 12 May 1969 1. Attached (USC) for the information received that day by the COS from AMBIDDY-1 who is considering going into a dry dock venture in Corinto with Jose Maria ZELAYA, private secretary to President Somoza, ZELAYA has cabinet rank. He is believed by many to be pro-Communist although, as in the case of similar reports about francisco J. LAINEZ, no real proof of these allegations seems to be produced. 2. When shown this memorandum, the LNPURE Chief said he thought it quite likely that ZELAYA is strongly anti-American as reported by AMBIDDY. 3. AMBIDDY says that for the first time he recently heard Somoza utter unfavorable words about the United States and AMBIDDY "wondered" to the COS if ZELAYA could be exerting some evil influence on Somoza. 4. The Ambassador

Political Attaché

Statements of Jose Maria "Chema" ZELAYA

- 1. On 1? May I was contacted by a close friend of mine who is engaged in negotiations with "Chema" ZELAYA which may lead to the two forming a business partnership. While my source is not normally a source of intelligence information. I have found him to be a good observer and to be reliable. He told me that ZELAYA told him the following at a meeting on 9 May.
- 2. The ROCKEFELLER visit is merely a political maneuver on the part of President NIXON to furnish an excuse if anything goes wrong in Latin America. It is preposterous to expect Governor ROCKEFELLER to learn anything about a country in twenty four hours. ROCKEFELLER will go back to the United States, make his report to NIXON, and then go about his normal duties. NIXON will adopt those recommendations regarding U.S. policy for Latin America that are agreeable to him, paying no attention to the rest. If anything goes wrong, NIXON can pin the blame on ROCKEFELLER. In this way he has a scapegoat and also has an opportunity to lessen the prestige of a potential political rival. No possible good can come from this mission.
- 3. ZELAYA said that he has managed to obtain the blessing (bendición) of the Catholic Church. Now he is working on the blessing of the American Ambassador. In this respect he has proposed setting up youth centers around the country—places where youngsters can go to read good books, play ping pong, etc. and the American Ambassador is interested.
- 4. My friend is of the opinion that ZELAYA is strongly anti-American.

MEMORANDUM FOR THE RECORD

SUBJECT: Manuel ARTIME Buesa

- 1. On 18 April I saw Subject again briefly and told him that I would appreciate an optortunity to talk to him alone. As he was about to leave town, he promised to contact me again on his next trip to Managua. He phoned me on 28 April. I picked him up that night and drove him up to my house where we had a long conversation over a couple of steaks and a good bottle of wine.
- 2. I told Subject that I had heard his name mentioned in connection with such unsavory activity as fomenting revolution in Panama and narcotics trafficking—from people who don't know him. My reply to any such dirty-mouthing is that Subject is a hyperactive type who keeps in contact with all sorts of people, some of whom may be involved in unsavory activity. This does not mean Subject is involved. Indeed, I was sure he was not.
- 3. The provocation yielded desired results and in the ensuing conversation Subject gave me a detailed explanation of his present activities and financial situation.
- 4. His business dealings are carried on under his company, known as Central South International, Inc. He is president and his wife is secretary. His business activity in Nicaragua consists of :
 - a. Sales of equipment to the National Guard
 - Sales of livestock (cows) to Nicaragua. These dealings are handled through Colonel Guillermo NOGUERA, the buyer at this end. Subject expects to expand this business to include sales to INFONAC -- the National Davelopment Commission.

Subject obtains the livestock from the Hontura Ranch of Florida.

- c. Sales of Florida real estate. Subject is not licensed to make such sales in the U.S. but can sell to persons abroad. (About two years ago he was selling lots west of Hiami near where a new airport is to be built.)
- S. Subject is now involved—on this trip—in a deal with President SOMOZA to furnish well drilling and pumping equipment for an agricultural irrigation system. SOMOZA was approached by a British firm which somehow wangled a U.S.—guaranteed 5 1/2 percent loan to underwrite the same scheme. This low interest was better than Subject's contacts could obtain initially and it appeared that the contract would go to the British outfit. However, Subject's stateside partner, a South Carolina legislator (state level), who operates a business known as INTERGROW, managed to swing the same deal and was due in town on 29 April to talk with SOMOZA. SOMOZA told Subject he would give the business to Subject if he and his INTERGROW friend could equal the British offer. As of 28 April prospects for goneumation of a deal locked good.
- 6. Subject is also trying to work out a deal with SOMOZA regarding export of Nicaraguan meat. Previous dealings with a man from S&W fell through when this chap tried to "go around" Subject by dealing direct with Nicaraguan meat exporters. At present Subject is dealing with SOMOZA to buy meat from CARNIC and IFAGAN to sell in Miami to the Northwestern Meat Company, owned by Elpidio NUNEZ. In return for his cooperation in the meat business, SOMOZA is to be given a 38% slice of the profits. The remainder would be split up as follows: 16% to Edgarde BUTTARI, 13% to Frank CONDOM, and 33% to Subject. SOMOZA is trying to figure out some way to get his bite without paying U.S. income taxes so the matter of spreading the profits is still up in the air. Central South International line, has an account at the Capital National Bank of Miami; Subject showed may an irrevocable letter of credit in the amount of \$48,000 issued by this bank to be used for the meat export deal.

FORWARDED BY SPECI TRANSMISSIDA NO FIELD DISSEMINATION

- 7. As for possible sales of cattle to INFONAC, Subject is working on a deal with SOMOZA which may involve as much as a million and a half dollars.
- 8. Subject lives on commissions. He is now in debt to the tune of \$9,500 of which he owes \$1,600 to American Express and \$3,900 to SOMOZA. When he has been down and out three persons have helped him with handouts of money to tide him over. These are Sixto MESA, in the construction business in Miami; Jose Luis GONZALEZ, in the lumber business; and "Tacho" SOMOZA. Subject plans to pay back all three every cent they have given him. He considers these handouts as loans. He is now trying to consolidate his debts through a loan from Diners Club. He is paying on his home mortgage at a rate of 5 3/4 percent, quite low by present-day standards. Two Cuban Negro friends of many-years standing live with him at his home. They are taxi drivers and each pays \$25 a week to help defray household costs. One of these loyal retainers fired the first shot during the Pilon sugar mill raid pulled off by Subject's followers several years ago.
- 9. Contrary to popular belief, Subject does not own a piece of the Vizcaya restaurant in Miami although he could have been a partner had he made a \$500 investment when the enterprise began. The owners are Oscar VILA, Aramis PIRON, and the cook, named Tomás (lnu). VILA and PIRON were with Subject in the Bay of Pigs invasion and both are old friends. VILA has been rumored involved in narcotics but Subject doesn't think he is. Some time ago the Miami Herald sent its lady gourmet reporter to do a story on the Vizcaya. She found it to her liking and wrote a favorable story but some unidentified character at the Herald told her that narcotics were pushed at the Vizcaya and that Subject was one of the owners. Publisher KNIGHT of the Herald had an investigation run before allowing the gourmet reporter's story to be printed. The restaurant was given a clean bill of health and the story was run.
- 10. One of the persons most prominently involved in blackening Subject's name is Rolando MASFERRER. Subject classifies him as the scum of Batista's Cuba. One gets the impression that Subject would be unhappy if MASFERRER, who Subject says has been involved in narcotics trafficking, were to say anything good about him.

FCOMARGEO DY OFICK TRANSMISSICH NO FIELU DISSEMINATION

Subject's only other possible connection with narcotics involves a report he gave to Mr. DREW of the FBI. This was as follows: Subject has a friend named Carlos ARMAS who is skipper of a shrimp boat the "Sea Cat". ARMAS lives at 1800 NW 34th Street, Miami. At sea in British waters (around some British island or cay in the Caribbean). ARMAS has "fraternized" with a Cuban shringer "El Costero" captained by Antonio LOPEZ. LOPEZ has told ARMAS that his boat, "El Costero", often carries aboard a small, very fast speedboat. While anchored in British waters this speedboat, with a crew of 3, is put overboard with a "package" on board. It disappears only to return sometime later minus the package but with large quantities of money. It then refuels from "El Costero" and heads for Cuba on its own power. Subject and ARMAS think it probable that the package contains narcotics and that Fidel CASTRO is raising money this way. Hr. DREW of the FBI told Subject to tell his story to the Coast Guard. Subject did but the CG said they were not interested because the smuggling was taking place in British waters. As far as Subject knows nothing has ever been done about this matter.

- 12. Subject says that "politically" his program breaks down to:
 - a. Keeping about 200 men ("my action men") ready for action in case of a sudden change in Cuba or a "go ahead" on raids against Cuba.
 - b. Keeping on good terms with Edgardo BUTTARI and Frank CONDOM who are both on good terms with "Bebe" REBOZO who is in turn, an intimate friend of President NIXON. (Subject asked me not to discuss or report this owing to its political sensitivity. It would seem prudent not to accentuze this matter).
 - Keeping good relations with Nicaragua and Haiti for possible future operations against Cuba.
- 13. I asked Subject if he had any dealings with Colonel Angel ARAUZ of Panama in connection with efforts to everthrow the government of Panama. He said that ARAUZ had twied to get him, Subject, to furnish arms, support, and influential

friends in the Miami area. Subject successfully avoided ARAUZ when he showed up in Miami. ARAUZ is now in Venezuela where his wife's family is well connected with the COPEI Party. Subject is not in contact with ARAUZ.

14. Throughout our conversation Subject appeared sincere and anxious to make the facts known. He repeatedly stressed his respect for our organization as he has in the past. I believe he was being forthright and honest. He promised to keep in touch.

MEMORANDUM FOR THE RECORD

SUBJECT: Manuel ARTIME Buesa

- 1. ARTIME comes to Managua frequently, always using LANICA Airlines and frequently flying over Cuba. He is aware of the possibility of a highjacking and says that he would never make it out of the Havana airport alive if the CASTRO Government were to get hold of him.
- 2. He explains his trips as legitimate business.
 One of his enterprises lies in obtaining fatigue uniforms, canteens, web gear, and similar equipment and supplies for the Nicaraguan National Guard. Another enterprise, in which he was involved a year or so ago, involved lumber and cabinet woods which he hoped to export from Nicaragua to the States. He dealt with a Nicaraguan businessman named MOLINA in this matter. It seems to have fallen through. At one point last year (1968) I heard that ARTIME was trying to serve as middleman for investments by KRUPP interests in Germany here. I have heard no more about this. A more recent line is Nicaraguan beef for export to the States. He says that he has made contact with the top man of the S & W restaurants in the States. This man, after checking samples of Nicaraguan beef, says he will buy all he can get. The supplier at this end would be CARNIC, a meat packing enterprise owned by President SOMOZA. (There is no doubt ARTIME could find a ready market in the States but he may be stymied by the import quotas, especially since Nicaragua over-exported to the States in 1968 and had troubles as a result.)
- 3. ARTIME drops by to see me at my home often although not on every trip. His visits to me have been less frequent of late. We have easy rapport. He knows who I represent.

He is usually accompanied by Jose FERNANDEZ de la Torre. Manager of Distribuidora Inter-Americana, S. A. "Pepe" is a Cuban and a close friend of mine. He is ARTIME's closest friend in Nicaragua. ARTIME often stays at his home. On a couple of occasions APTIME has been by to see ms with another mutual Cuban friend, Primitivo ABLANEDO, who used to live at El Bluff on the East Coast. "El Gallego" ABLANEDO now lives in Managua and makes his living renting out dump trucks and construction and hauling equipment. On one occasion ARTIME came by with a Cuban I believe was named VILA. Mirta PADRON, another mutual Cuban friend (she teaches Spanish at the American Embassy) tells me that VILA owns a restaurant in Miami but that ARTIME has no connection with this enterprise. A couple of times ARTIME has come by with Frank CONDOM, & short, quiet, red-faced Cuban who owns some jewelry stores in Miami. CONDOM is now pretty well-off financially and is a good friend and business associate of "Bebe" REBOZO, who, in turn, is a close friend of President NIXON. I believe CONDOM and, perhaps REBOZO, may be involved in the meat deal.

- **. ARTIME always comes with someone when he visits me-not because he feels need for a bodyguard as some suspect, but simply because he still doesn't know how to drive a car and I live some distance out of town. Our visits are pleasant, involve a scotch or two at most. The last two times ARTIME has not had anything to drink. We talk no operations or other such business. My personal views on dealing with CASTRO, especially on howwe should have dealt with him in the past, are rather hawkish and I think ARTIME finds these views pleasant to his ear although he is well aware that they are not "policy."
- 5. ARTIME told me some months ago-before the electionsof meeting with "Bebe" REBOZO. The meeting was arranged
 through CONDOM. ARTIME has not claimed to me to have met with
 Mr. NIXON either before or after he assumed the presidency.
 He has made it known, as is already well known, that REBOZO
 is close to the President. He has also speculated that
 REBOZO might have considerable say in formulation of the new

administration's Cuban policy. He expects this policy to be more hard-line but has not specifically said that RE30ZO has said this would be so. He recently told me that some of my ideas on enforcing the economic blockade had been passed on to REBOZO.

- 6. In response to my queries as to what direction the new Cuba policy might take, ARTIME said in March 1969 that he did not expect the NIXON administration to address itself to the Cuban problem before May of this year. Then he expects a concerted effort to make the economic blockade work. If that does not yield results, he expects that a go-ahead will be given for the resumption of Cuban exile raids against Cuba from non-U.S. bases. He hopes to be the man chosen to lead in this endeavor. Again, in response to my questions, he said that exiles could be trained in Nicaragua. He favors using Haiti as the actual base of operations, i.e., the raiding parties would leave from there. He mentioned having talked with President DUVALIER and indicated that he has DUVALIER's approval for such operations.
- 7. ARTIME said that operations against Cuba would be designed to knock out shipping and port facilities. He has not recently referred to his earlier invasion plan as outlined in MANAGUA 6752 of 23 October 1968.
- 8. ARTIME is still as charming as ever, lot's of fun to be around socially—full of jokes, anecdotes, etc. He has not lost faith, is one of the few of what have been termed slsewhere "the old exile hacks" who have not given up. He really does seem determined to play a leading role in unseating CASTRO. He is beginning to go to fat a bit. I saw him in a bathing suit not long ago and thought that he would do well to get into trim if he hopes to lead in any military operation.
- s. ARTIME has never made any discernable efforts to pry secrets from me; indeed, he seems to have taken special pains not to do so. He is mature and quite objective--can see various facets to just about any problem. I believe it is well worthwhile maintaining ensasional contact with him.

- 1. As usual the first month of 1969 featured a large number of rumors making the rounds in the PBRUMEN exile community. While we normally tend to ignore such rumors, we are forwarding a couple of tidbits because they relate to GPVALIANT.
- 2. The first of these rumors deals with a new group which has presumably been formed for the purpose of trying to deal through GPVALIANT. Among those in the group are Carlos Prio, Lincoln Rodon, Juan J. Remos, Sergio Carbo, and Edgardo Butari. This group reportedly meets every Thursday at different houses. The last meeting in January was held at the home of Lincoln Rodon. At this meeting Prio presumably stated that Butari was a better contact to GPVALIANT than is Emilio Nunez Portuando. The general consensus was that Butari is a better contact because he is a business partner of Bebe Roboso and everyone knows Reboso's influence with GPVALIANT. The rumor mill has it that the group intends to pretend that it favors political and democratic solutions to the PBRUMEN problem but that they really seek armed intervention. In this same connection Father O'Farril has recently told AMPALM-4 that AMBIDDY-1 is once more connected with WOFIRM and that AMCORE-2 has joined him. The rumor mill says further that AMBIDDY-1 and AMCORE-2 are planning to open training camps once again with the tacit encouragement of the above group. According to AMPALM-4 O'Farril himself does not agree with the version of AMBIDDY-1 and AMCORE-2 wanting to establish training camps. O'Farril feels that the solution AMBIDDY-l'is looking for is through agreements between LNFORT (GPVALIANT) and the Soviet Union.
- 3. WIBALDA has picked up information quite similar to that learned through AMPALM-4. He also has reported the existence of this group and said that they are collecting money from the refugees in order to buy arms and equipment to overthrow AMTHUG-1. According to WIBALDA important members of Alpha-66, Segundo Frente, DRE, Autenticon, and Ortodoxos are involved even though these organizations themselves are not participating as groups in the movement.

- 4. Another rumor has it that AMOTEX-59 is also conspiring in plans for future armed action against PBRUMEN.
- 5. The above information is being forwarded strictly as unfounded and unconfirmed rumors. We are passing it along only because it represents another indication of what the exiles are expecting from GPVALIANT. We find the rumor concerning AMBIDDY-1 particularly interesting and suspect that it may be an outgrowth of the recent report we have received from AMCHALK-1 that AMBIDDY-1 has been contacted by ACSI.

he was reported to be trying to organize a commercial strike in Leon and Managua. He was arrested in November 1960 as a known conspirator in an attempted revolution and . for having been involved in the clandestine movement of revolutionaries across the Costa Rican border.

- b. Jose FERNANDEZ de la Torre On 2 March 1962 a report said he was a Cuban refugee who talks anti-Communist but was actually sent to Nicaragua to make Communist propaganda. On 8 May 1965 he vouched for the entry into Nicaragua of Jesus FERNANDEZ Suarez. a Cuban (no OSN or Station traces). (Note: FERNANDEZ is known personally to ZABOTH and to the Chief of Station, whose opinions about ham are that he is a Cuban businessman who is both anti-Communist and anti-Castro because of the loss of his business interests in Cuba. His principal business in Cuba involved distribution of the products of Procter and Gamble. the soap and chemical company. He is now manager of Distribuidora Inter-Americana S.A. an import/export and distribution firm in Managua.) On 18 January 1967 the Guatemalan Security Service requested traces on the subject, along with a list of other Cubans. No reason for the request was given to OSN.
- Orlando CASTRILLO S., Bachiller On 20 November 1965 he wrote a letter to La Prensa, the opposition newspaper in Managua, asking them for 30,000 copies of an anti-SOMOZA caricature in order to sell them and raise funds for university student grants.
- German ARELLANO On 17 January 1967 a report said he had bought \$5,000 worth of arms in Miami for illegal shipment to Nicaragua, and they had been confiscated by authorities at Miami. (Station card shows subject's name as German ARELLANO Morales. See JMWAVE-5188, 20 January 1967 and JMWAVE-5247, 24 January 1967 for further details of this report.)
- There are no OSN, SAC or Station traces on the other persons mentioned in letter number 2 of the reference.
- Both ZABOTH and the Chief of Station have discussed with AMBIDDY-1 the "intelligence net" mentioned by the reference. The stated Station position was "we are happy to maintain contact with you and to discuss this matter from time to time on an informal and personal basis, but the policy of our organization is that we do not engage in intelligence activities in a friendly country except in coordination with the local government. Therefore, even though you assure us that General SOMOZA knows and approves this activity, we would have to have a direct request from him before we could cooperate with you in any kind of an official capacity." This appears to have sufficied to keep our lines open to those involved without committing us to do anything more than listen.

2. Incidentally, my secretary Eugenio Claude spoke with a friend named Pedro Pino who lives at 1132 W 71 St., Hialeah, Florida, 33012. PINO told him that his friend, Lourdes BELLO, who lives at 1124 West 71 Pl., Hialeah, Florida and who has lived there for only a short while, has received correspondence which must have been for the previous tenant at that address. This correspondence came from Cuba and consisted of subversive propaganda. All the correspondence is addressed to:

The sender of this correspondence appears as:

Sender of correspondence

Being that I was out and that my secretary knows Rafael LLANEZ who works for Sangenis who works for you, gave him this correspondence so that he might sent it to you. I have sent you the propaganda which so far has arrived.

3. I have received from my father, in Cuba, a note with a mediage in which he tells me that he intends to leave Cuba under a false name. His message is very clear:

I am trying to arrange that the "nucleus" of Gonzalito Penaranda leaves soon. NUMBER IS 117838.

Of course, he is referring to the Airlift from Habana to Miami. I ask you to inform me if you can do anything in this regard as I think it is the last chance my parents have of leaving.

4. Please tell me if it is certain that Fidel intends to go to EXPO 67 in Canada for the 26 of July as it has been rumored. If he is going, I would like to know if Commander Vallejo will go with him as his chief doctor. When I was imprisoned, I received many messages from Vallejo telling me that he was not a Communist and never would change.

OARTING - BUETA, MANUEL FRANCIS

Dear Jim:

I have delayed the trip to Nicaragua until Wednesday the 24th or Thursday the 25th, because the Nat Harrison Company, which is financing my trip, wants me to take some documents to Managua.

I am sending you the signed reciept herewith. It looks like Roberto (our friend over there) wants Ablanedo to stay on for a complete month in Nicaragua. If it is going to be that way then I will need the money for this month also. If he stays it is because Roberto orders him, and if Roberto orders him to stay, then Roberto should pay.

MICROFILMED SEY 5 1967

I inform you of the following:

DOC. MICRO, BER

1. The manner used to focus the case of Felipe Rivero is absurd. They are converting him into a hero and a martyr. In order "Not to be a slave of Yankee Imperialism!" even I had to make declarations protesting the imprisonment of Felipe Rivero, although I clearly stated my discrepancy against his ideology and wincipals.

Boch, the one from NIRR, is taking the anti-North American campaign and turning his hate toward the United States on this problem.

NO.

They could have taken Felipe Rivero out of the United States without informing anyone, and then they could have informed the people that he was already in another country. Or they sould C2 COPY

201-267437

have started a campaign to discredit him, like the one
the Miami Herald started against me at first. But they
it
should never have done/like they did. Another mistake
is the public judgement which they are going to give him.
Because of that judgement he is going to win more
popularity and is going to rut the United States in a
bad situation.

- 2. On this trip I am soing to see if I can do something about the solidarity of the Central American countries with Venezuela in order to see if anything concrete comes up.
- 3. I have gotten reports from Cuba that in Bahia Honda they are constructing a subterranean rocket base. I am going to get more reports.
- 4. In Micaragua there is a man, Allan Gross Quiros, chemistry professor at the University of Leon and recently named to be a professor in Managua also, who was in East Germany and Bussia for ten months. He returned to Micaragua 1 15 April, passing through New York. He spoke with a man named "Mayo" for a long time on the tilephone. In his conversation with this man he told him (Rayo) that he had "taken a flight" from New York to Chicago where he spoke with "the person whom he had to speak to."

Allan Gross Quiros was in Leon and Massya on the days in which the markets of Leon and Massya were burned.

He (Allan Gross Quiros) has written two letters to this address:

Herr Hubert Torres

75 Karlsonhe

Stephanienstrasse 29, Federal Republic of Germany I am trying to investigate several addresses in the U-ited States where he writes. These are reports from "Pepe" Fernandez.

- 5. In Honduras there is a young man whose surname is WEANEVER, who is from Monduras and the nephew of Ricardo Zuniga, the Presidential Counsellor. WEANEVER was in Cuba taking training, and in conversations with other young men he said that he hoped to go through Nicaragua. Presently he is in Honduras.
- 6. It is suspected that guerrilla training is taking place in Chinandega. I will go to that zone on this trip.

Ignacio

(read the back)

P.S. I forgot to tell you that Allan Gross Quiros always carries an "executive bag" which he will not let loose for one moment. He is an inseparable companion of ARAGON and Lillian Garcia, who are both Communists at the University of Leon.

Some money from the University of Leon supports the subversion. There are "Phantom job positions"; that is to say duties which no one carries out and which receive high salaries. This money goes to the ranks of subversion.

As investigation was conducted by both JMBAVY support payments. determine if the agents named by AMBIDDY/1 had been employed by WOPACT in order to determine what, if any, thingstion might exist to provide financial assistance to the impendants. The results of the combined Hondquarters investigation, keyed to reference dependents, are summarized below for Station Managua information.

(IDEN A) Subject was a VOPACT agent under contract. His MCC provided payment of his desire contract. His MCC provided payment of his desire monthly salary to his dependent parents for two monthly salary to sible death while engaged on a copact following possible death while engaged on a copact mission. - (IDES B) Although IDEN C, the husband of IDES B, was never directly employed by NOVACT, IDEN B receives \$175 per menth as a dependent http://dex.com/ videw under the AMBUD program and has been paid a total of \$10,850 from March 1962 to date through the JEFAYE/AMBUD cover mechanism. Fresumably AMBIDDY/1 is unaware that this dependent has been receiving regular AMBUD assistance is addition to the \$125 per month received from AMPORID funds.
- (IDEM D) AMBIDDY/1 provided GROWERY with the complete mane and details of the activities of IDEN D's husband prior to his arrest and subsequent 6-30 year prison sentence. With this information traces were run on Subject with negative results. Since neither JIMAVE nor Hondquarters records produced any evidence Subject had ever been a TOPACT employee, no obligation exists to provide financial assistance to IDE B.
- 2. Although reference indicates the discussion between James D. EABOTH and Ernest A. LUSBY took place after AMBIDDY/1's conver-sation with GROWERY in January, it is not clear when, or by when, the subject was originally brought to ZABOTH's attention. If AMBIDDY/1 was the source of ZABOTH's information it is noteworthy that he apparently neglected to mention his prior detailed disseice with GROWERY.
- 3. Under the circumstances, it is not possible for Headarters to tike any action to provide support to these individuals.

Door Jin,

Pardon my lateness in writing to you but I have had to face many problems and I wanted to be calm when I wrote to you.

I was at Luis Somona's funeral and I think that I made a good impression. I am at present more worried than I was before, but not for my future, because Tacho is a very good friend of mine and Luis was not. I am worried about Micaragua's destiny. Let us not forget that Micaragua is the most solid pillar of Central America. I-Laines grew closer to Tacho during the funeral. Laines took practically all the load of the funeral arrangements upon himself. 3-Many of the good men who gave the Somona's advice were intimate friends of Luis and they are afraid of coming to Tacho in order to give him advice.

3-The Communists are aware of this and they are also aware of the fact that Tacho is even more violent than Luis, therefore, they take advantage of the situation to provoke Tacho, thereby hoping that without Luis's advisors and possibly with the "bad advice" of "an infiltrator" in Tacho's circle of friends/to rule his government with an iron hand, which is just what the Communists want from him.

4-I think that Tacho has grown much closer to me And I will try to do everything possible to see that he keeps calm.

5-There is no doubt about the fact that the Communists have brought in a great quantity of weapons into Nicaragua. The weapons have not been found, in spite of the investigations by the Security Corps; even General Montiel recognizes this.

6-Ithink that there is discontent in the young officer's ranks because of the low salaries which the officials, sub-officials and SMRXXXXX enlisted men receive. This is not a problem at the present but it could develop into a problem, if the Communists exploit it skillfully.

7-I also think that the Security Corps which continues to function under the orders of Montiel, who is also chief of Staff and also a merchant, loses all its efficiency because of the fact that Montiel cannot dedicate sufficient time to the Corps and as a result leaves its direction to Captain Willop, who I think is entirely incompetent for the job.

8-I think that the only good thing that panorama has is the loyalty of General Somoma's military troops, for I honestly do not trust some of the high officials.

S-Jose Fernandez made the contact with the Nicaraguan girl who received the proposition to study on a scholarship in Russia, at the Patricio Lumumba University, and she is willing to collaborate with us. I gave the contact to Carlos.

18-According to reports from Pepe Fernandez the "comrades" are going to try to intensify their '"infiltrative job" in the Kicaraguan departments EXE of Education and Agrarian reform.

The following is expected after 2 May, the day on which Tacho is sworn in: sabotage, terrorism, and kidnappings. Provocations!

11-I sincerely think, and excuse me, that the United States should now, due 13 the psychological state in which Tacho is in, demonstrate that they have confidence in him EXES and in the success of his Government. He is grateful to the United States for the help which the United States sent to him so that he could save his brother, therefore take advantage of this.

12-According to the comments which I heard in Tacho's close circles (Col. Sanchez from Lanica, Gen. Camilo Gonzalez, etc.), Sevilla Sacasa is not in very good standing with Tacho. I think that Washington should become friendly with Tacho in a direct manner.

Control of the Contro

13-Camilo Gonzalez's son spoke to me and told me that he had to see me later (I do not know when) in order to inform me about a group of Guatemalan Officials who are planning a coup d'etat against Mendez Montenegro and they want my help. When I know something concrete about this I will tell you. I have also heard rumors from Teo Carrasco (a painter, who is the brother YEXX of General Peralta's paramour) that Peralta is "in something also." When I find out something concrete about these reports I will send it to XXX you and let you know.

14-I am going to Nicaragua for the swearing in ceremonies. I am trying to get free tickets to fly XEX on Lanica. As soon as I see something of interest I will let you know.

P.S. Do not forget about Don Manuel Guillot.

Querido Jim:

Perdona la demora en la carta, pero he tenido muchos problemas a los cuales hacerles frente, y quería tener tranquilidad para escribirte.

Estuve en los funerales de Luis Somoza, y creo que causé buena impresión. Pero ahora est a más preocupado que entes pesar de que
ni gran amigo es Tacho y no Luis, pero mi preocupación no es por mi futuro, sino por el destino de Nicaragua. No olvidemos que Nicaragua es el
puntal más sólido de Centro-América.

l-Laines logró macercarse más a Tacho durante este proceso .Practicamente fué el hombre que llevó todo el peso de los funerales.

2-Muchos de los buenos consejeros que tenían los Somoza, estaban intimamente ligados a Luiz, y le temen scarcarse al Tacho Para derle consejos.

3-Los Comunistas son conscientes de ésto y de que Tacho es un hombre más violente que Luis, por lo tanto se aprestan a provocar al Tacho para que éste, sin los consejeros de Luis y posiblemente con los "malos consejos" de "algún infiltrado" en el círculo de Tacho, unido al caracter violento del Tacho, lleve su gobierno a una meno dura que los comunistas desean en Nicaragua.

4-Creo que Tacho se ha acercado mucho más a mí después de éste proceso y yo trataré de hacer todo lo humanamente posible para que vaya por caminos de tranquilidad.

5-No hay dudas de que los comunistas han logrado meter en Nicaragua una gran cantidad de armas, que no han aparecido a pesar de las pesquisas de los Cuerpos de Seguridad; ésto lo reconoce el mismo Graral Montiel.

- 6-Creo que hay un leve desagrado en las filas de los oficiales jóvenes, por el salario tan bajo que reciben los oficiales, sub-oficiales y clases. Por el momento esto no es problema; pero puede ser problema si el comunismo lo explota "bilmente.
- 7-Creo además quem el Cuerpo de Seguridad, al seguir bajo el Mando de Montiel, que además es este de Estado Mayor y además es Comerciante, pierde toda su esicecia, ya que Montiel no puede dedicarle el tiempo necesario y el Cuerpo es dirigido por el Capitán Willop, al cual considero completamente inepto para el cargo.
- 8-Crec que la única cosa buena que tiene el panorama, es la les la de la tropa militar al General Somoza, pues, honestamente desconfichasta de algunos altos oficiales.
- 9-José Fernández logró el contacto con una muchacha nicaragüense que ha recibido una proposición de estudio (becada) en Rusia, en la Universidad Patricio Lumumba, y está dispuesta a colaborar con nosotros. Yo le dí el contacto a Carlos.
- 10-Según informes de Pepe Fernández, los "camarades" van a tratar de aumentar su intensidad de "trabejo infiltrativo" en los departamentos nicaragüenses de EDUCACION y RETORMA AGRARIA.
 - También se esperan: sabotage, terroriramo y secuestros después del día 2 de Mayo, toma de posesión de Tacho. ¡Provocaciones ¡
- 11-Creo sinceramente, y perdónenme, que los Estados Unidos deben shore, dado el estado psicológico del Tacho, demostrarmile que tienen confianza en 61 y en los logros de su Gobierno. Aprovechen que 61 está egradecido por todos los recursos que Estados Unidos mendó para salvar al hermano.

12-Según comentarios que of en círculos muy allegados al Tacho(Coronel Sánchez el de Lanica, General Camilo González etc) Sevilla
Sacasa no está muy bien parado con el Tacho . Greo que Washington
debe intimar más ...rectamente con Tacho.

13-El hijo de Camila González mo habló de que tenía que verme luego (no sé cuando) pa.a informarme de un grupo d Pficiales Guatemal-tecos, que están preparando un golpe de Estado contra Mendez Monte-negro y quieren mi ayuda. Cuando sepa algo concreto se los mandaré a decir. También he oído rumores de Teo Carrasco (pintor hermano de la querida del General Peralta) de que Peralta está "en algo también". Cuando concrete más los informes se los enviaré.

li-Voy a Nicaragua para la toma de posesión, estoy consiguiendo boletos gratis para volar en Lanica. Tan pronto vea algo de interés se los comunicaré.

P.P. No se olviden de Don Manuel Guillot.

MIAMI; 3 April 1967

Dear Jim,

Pardon my lateness in writing, but I have had to run around a lot. The fundamental subjects which I wished to discuss are

- 1. I was displeased when our Nicaraguan friend discussed the subject of the implements which we had in Blueffield with General Somoza before I had discussed anything with him (Genral Somoza); above all without even consulting with me before he went ahead and did it, this put me in a difficult position with the Government. This is what I discussed with Carlos:
- (a) The company will help me get pain out (b) I will tell Somoza that he is open of us (c) I move them to another place which is less accessible. He agreed with me on consulting with the company, and the answer he gave to (b) was that IME he planted the "other friend" in with Somoza, and nothing else was said. Thank God that I did well on that job, and I did pass some unpleasant moments.

 2.During Somozas' stay in the USA I have seen him frequently and I have taken American investors, who wish to put their capital to work in Nicaragua, to see him. We have conversed copicusly about his projects. He wants to do the following: Turn over his power when his mandate is terminated. Raise the standard of living for the Nicaraguans. Give the

farmers the chance to take their products to big markets, through the construction of highways, silos to store grains and favorable legislation for the small farmers. The only thing that worries me is the extraordinary influence that "Che Lainez" has on him in economics. There are diverse comentaries about this individual on whether he is a member of the Communist Party or not; but the truth is (I know him personally) that he is a social outcast, bitter, every intelligent and very ambitious. Furthermore, when he tries to please someone he acts like their servant. If he is not a Communist then he is easy material for the Communists.

- 3. Somoza has promised me to continue to move the subject of Cuba in the irrernational spheres, and in his appearance in "Meet the Press" he has already done it.
- Wharfs? of New York, who through Adolfo Jimenez told me about a new invasion that was planned for Haiti, directed by me and leaving from Nicaragua. I responded negatively. It seems that they spoke with others about the project and a rumor started which said that I was preparing an invasion of Haiti from Nicaragua; I then went to see the Haitian consul in Miami to make it clear to him and his Government that I was not an adventurer, and that neither I nor the Nicaraguan Government had the elightest intention of interfering with Duvalier.

The consul has now told my that Duvalier wishes to speak with me. I told him that I would be glad to speak with him when he wished and when the interview would be kept secret. I think that this interview could be useful, for I have found that the Haitian Government has a grudge against the U.S. I do not know what we will speak about but I think that I can get some good information for you (plural).

5. I think that we can expect violent revolts in Nicaragua, in Panama, in Guatemala, and in Honduras (the opposition is in possession of many arms that have not been found yet).

This breakout of guerrilla warfare in Bolivia and Brasil demonstrates Fidel's desperate strategy in trying to start other Vietnams in America whether or not Russia is in agreement.

I think that the dismissal of Raul Castro and Vilma Espin from the key posts in Cuban Communism can cause an internal revolt in disagreement between Cuban Communist elements and we have to be on alert in order to take advantage of the event so that it will not surprise as the "bloody rebellion and cultural revolution of China" surprised us.

I believe that propagands for CUBA should be centered on planting distrust in the Armed Forces and on making Fidel Castro appear unstable as a person. If he has not even been faithful to his own "brother," then what can the rest of them expect if they are not even his relatives? I think that we should emphasize the fundamental part that Rhul and Vilma had in consolidation of Castroism and its rise to power.

SECRET

I do not think that Almeida has the control nor the influence over the Army that Raul had, and therefore a conspiracy and revolt of the Armed Forces is easier. There is no doubt that Fidel is assigning key posts to men and women who are his personal friends, without regard to whether they are good or bad Communists. This is going to bring about problems with the old guard of the Communist Party and with the people in the new guard who have been hastily taught Fidel's doctrine but have received Communist indoctrination (many of them sympathize with Raul). It seems that Russia is very displeased with Fidel and it would not surprise me if Russia would try to cause an attack on him; we should insiguate this in the propaganda against Castro for we know that his paranoic mentality and his disgust for Russia would wost emphatically make him start to purify and take reprisals against Moscow's unconditional demands; an atmosphere of tension would then be created between Russia and Fidel. The divorce of the Latin American Communist Parties from

The divorce of the Latin American Communist Parties from their obedience to Moscow, seems to be a feeling of disgust for Russia.

I have 200 men randy, who upon receiving weapons, can be taken to Cuba in only 48 hours, in case of a revolt. Their mission would be to overtake a town with a radio station in order to take advantage of the chaos of the revolt and establish a military Government that would be immediately recognized by a number of Latin American Governments and

from Nicaragua, has told him that he cannot go to Blueffield until everything is taken out. That will take part of this month which means that apart from the subsidy that I have given him for last month I will have to give him this month's also. Could the company help me with that? The subsidy comes to \$275.00 monthly. That is what I give to his family in Miami. This does not include what he is spending in Blueffield.

7. Tell me if at last you know anything about the request that I made for Mr. Manuel Guillot, for the Fundora widow and for the poor, deaf lady whose husband is in prison.

That's all for now, if there is anything new to tell you I will inform you of it.

Miami 3 de Abril 1967

Querido Jim:

Perdona la demora en escribir, pero he tenido que correr mucho.

Los temas fundamentales que quería tratarles son:

1-Ma disgusté cuando vuestro amigo de Nicaragua le trató el tema el General Somoza antes que yo , de los implementos que teníamos en Blueffield; sobre todo, sin haberlo consultado antes conmigo; ya que eso me colocaba en una posición difícil con el Gobierno. Lo que yo traté con Carlos fué: a) La compañía me ayuda a sacarlo b) Yo se lo planteo a Somoza como cosa mía c) Los mudo de lugar a otro más inaccesible.

El quedó conmigo en consultar con la Comapañía y la respuesta fué que el btro "amigo" se ... planteó a Somoza sin hablar nada más.

Gracias a Dios pude salir bien del asunto, pero pasé mi momento desagradable.

2-Durante la estancia de Somoza en USA le he visto frecuentemente y le he llevado inversionistas americanos que desean poner a trabajar su capital en Nicaragua. Hemos conversado largamente de sus proyectos. Piensa: Entregar el poder cuando termine su mandato. Elevar el nivel de vida del pueblo nicaragüense. Hacer asequible al campesino el sacar sus productos a los grandes mercados, mediante la construcción de carreteras, silos para almacenar granos y una legislación favorable a los pequeños productores.

Lo único que me preocupa, es la extraordinaria influencia que, en materia econômica, tiene sobre él el "Che Lainez". Sobre este individuo hay comentarios muy diversos sobre si pertenece al partido comunista o no; pero lo cierto es (lo conozco personalmente) que se trata de un resentido social, amargado, muy inteligente y muy ambiciogo. Además, cuando trata de agradar a alguien, llega hasta al serviliamo". Si no es comunismo ta, es materia fácil pera el comunismo.

jo Somoza me ha prometido continuar moviende el asunte Cuba en las esferas internacionales, y en la comparescencia en "meet the press" ya lo hizo. Lo Hay un tal"GARCIA" que es líder sindical de los muelles de New York, que a través de Adolfo Jiménes, me plenteó el asunto de una nueva invasión

a Haiti, dirigida por mi y saliendo desde Nicaragua. Yo respondí que nó. Como parece que ellos hablaron a otra gente del proyecto y se empezó a rumorar en Miami que yo preparaba una invasión a Haiti desde Nicaragua; fui a ver al cónsulde Haiti en Miami para que le aclarara a su Gobierno que yo no era un aventurero, y que ni yo, ni el Gobierno Nicaraguense teníamos la más leve intención de meternos con Duvalier.

El Consul, después de eso me ha dicho que Duvalier quiere hablar conmigo. Yo le dije que yo estaba dispuesto a hablar con él siempre y cuando la entrevista fuera secreta.

Greo que esta entrevista puede ser útil, pues he descubierto en el Gobierno Haitiano, un resentimiento contra los Estados Unidor. No sé cual será el tema que iremos a tratar, pero creo que puede sacar buena información para Ustedes.

5-Creo que hay que e revueltas violentas e vicaragua(hay muchas armas en poder de la oposición que no han sido encontradas); en Panamá, en Guatemala y en Honduras.

Este brote guerrillero en Bolivia y Brasil, luce una estrategia desesperada de Fidel, de conseguir en América varios "Viet-Nam", quiera o no quiera Rusia.

Greo que la separación de Raúl Castro y Wilma Espín de los cuadros elaves del comunismo cubano, puede traer como consecuencia una revuelta interna por pugna entre factores comunistas cubanos, y tenemos que estar alerta para aprovechar al máximum los coentecimientos y que no nos agarres de sorpresa somo la "sangrienta revolución cultural china y la rebelión".

Oreo que la propaganda para CUBA debe basarse en sembrar dentro de las Fuersas Armadas la desconfianza y la vacilación hacia Fidel Castro en persona, que no le ha sido leal ni a su "hormano", luego Qué pueden esperar los demás que ni siquiera son familiares de él? Creo que se debía recalsar el papel fundamental qu Raul y Vilma tuvieron en le consolidación del Castrismo y en su llegada al poder.

Greo que Almeida no tiene el control mi la ascendencia sobre el Ejército que tenía Raúl y que por lo tanto, es más fácil la conspiración y la re-

vuelta de las Puerzes Armadas.

No hay duda de que Pidel está poniendo en los puestos claves a hombres y mujeres, que buenos o malos comunistas, son amigos personales de él, y ésto le va a traer problemas con la vieja guardia del Pertido Comunista y con la nueva guardia que por encima de Pidelista, ha recibido un indoctrinamiento COMUNISTA (muchos de ellos simpatizan con Raul).

Parece ser que Rusia está muy descontenta con Pidel y no me extrañaría que intentara un golpe de mano contra él; de todas formas, hay que insimuar ésto en la propaganda contra Castro, ya que con su mentalidad paranoide y el disgusto que tiene con Rusia, es capas de creerlo a pié juntillas y comensar a depurar a tomar represalias contra los incondicionales de Moscúilo cual crearía un ambiente de tensión entre Rusia y él.

El repudio de los Partidos Comunistas Latino-Americanos obsidentes a Moscúilo cual crearía un ambiente de disgusto de Ru

Yo tengo listos unos 200 hombres, que con solo recibir las armas, pueden ser celocados en Cuba en solo 48 horas, en caso de una revuelta. La misión sería tomar un pueblo con emisora de radio para aprovechar el caos de la revuelta y establecer un Gobierno en armas, que sería reconocido de inmediato por una cantidad de Gobiernos Latino-Americanos y algún país Europeo.

6-Ablanedo me dice en una carta, que ROBERTO, el "amigo" de Nicaragua, le ha dicho que él no se puede ir de Blueffield hasta que todo no se saque.

Eso se llevará parte de este mes, lo cual significa que además del subsidio familiar del mes pasado que ya le entregué, le voy a tener que entregar el de Abril. Podía la Compañía ayudarme en eso? Son \$275.00 mensualas. Es lo que yo le dor a su familia en Miami. Ahí no está incluído lo que él está gastando en Blueffield.
7-Diganme sipor fin saben algo de la solicitud que hice para Don Manuel Guillot, para la viuda de Fundora y para la pobre señora sorda que tiene su esposo preso.

Bueno, si hay algo nuevo, ya se los comunicará. Reciban un abrazo de

Ignacio

Dear Jim:

Just a few lines to report the following:

- 1. I believe that Communism will concentrate on Nicaragua as a point of attack.
- 2. The men who have returned to Nicaragua after receiving training in Cuba only acted indirectly in the bloody events of the 32nd, because according to information gathered in Elearagua through "Pepe Fernandez," the "Sandinistas" communists (who follow the Castro line) were awaiting the assassination of the Somoza in Leon and this was never realized (carried cut). These men were expecting an outbreak before Tacho Somoza took over the Presideacy of the Republic.
- 3. I am structuring (building) an anticommunist intelligence net in Nicaragua, which I have begun to instruct (train).

 This net is composed of: Jose Fernandez ("Pepe" Fernandez)

 Manager of Casa Hook. Rodolfo Jerez, Owner of casa "Venus."

 Capitalist of various enterprises.

Orlando Castrillo - Studies law, 5th year (5?) year of age He has a grocery (foodstuffs) business.

Duilio Cabrera - Studies law, 4th year. Works in the Ministry of Agriculture, in the Department of Live Stock. He is 25 years old.

Roberto Arellano - Studies law, 5th year. He works in the National Palace. Department of (Providad?). It is a position related to employees and workers. He is 28 years of agr.

Roberto Arias - Studies law, 6th year. Owner of an automobile spare parts business.

These individuals are going to create an anticommunist intelligence net. I have already given them one week of conferences.

- 4. According to reports received by Pepe, a Micaraguan named Gustavo Gomez Mesa, acquired through various subjects (persons), about \$5,000.00 in arms in Miami, from the Tamiami Gun Shop. The money was contributed by Aguirre, the owner of "Diario de las Americas" (and director), through an individual named Germán Arellano. These arms were going to be infiltrated into Micaragua in small quantities at a time.
- 5. Today I received from Adolfo Jiménez (old chief of the Camp "Francisco" of communications, of Costa Rica) the proposition to ask Nicaragua for permission to launch the invasion from there to Haiti. According to him there is a group of Capitalists in New York who are willing to send from Europe about \$80,000.00 in arms, to any designated location in Nicaragua. I am attempting to find out the names of these capitalists so that I can report it. I have replied that I will think the proposition over very cautiously before presenting it to Nicaragua. Of course, I will not get involved in this adventure unless you desire the contrary.

4. AMBIDDY-1 CONTACTED JAMES D. ZABOTH 4 MARCH, SAID HE CLOSING OUT ALL HIS STATIONKEEPERS IN MICARAGUA, DID NOT WANT TO ABANDON WEAPONS TO FALL INTO WROUG HANDS, NOR TO GIVE THEM TO NIC GOVI. GENERAL SOMOZA KNEW AMWORLD WAS LEAVING BEHIND SOME RESERVE EQUIPMENT AND WOULD KEEP ENOUGH WEAPONS FOR LOCAL SECURITY. HE DID NOT KNOW NUMBERS AND TYPES REMAINING. AMBIDDY-1 ASKED IF WOFACT WISHED TO RECOVER WEAPONS, OTHERWISE HE WOULD HAVE TO DUMP THEM IN OCEAN. ZABOTH, AMBIDDY-1 AND AMJAVA-4, WHO IN MANAGUA ON OTHER BUSINESS, VISITED BLUFF ISLAND 6 MARCH TO CHECK SITUATION. IF HOS WISHES RECOVER WEAPONS, MOST FEASIBLE METHUD IS BY AIR. A CARIBOU OR C-123 TYPE AIRCRAFT COULD LAND ON BLUFF STRIP, LOAD WEAPONS AT NIGHT AND FLY THEM OUT NEXT MORNING. IF HQS DOES NOT WISH RECOVER WEAPONS, AMBIDDY-1 COULD BE TOLD TO MAKE OWN ARRANGEMENTS TO DUMP WEAPONS AT SEA.

MEMORANDUM FOR THE RECORD

SUBJECT: O Termination of Manuel Artime Buesa

Q of Earl J. Williams

- 1. On the night of 13 January 1967 the writer using the operational alias James E. Wilson met with Artime in a room in the Hotel Columbus in Miami, Florida. The purpose of the meeting was to formally terminate Artime's association with the Agency. This involved the obtaining of termination Secrecy Oath and Quit Claim, the payment of \$3,000 to cover the final periodical payment through 31 December 1966 and obtaining outstanding receipts.
- 2. The meeting was cordial and all paper work involved in the proceedings was accomplished without incident. There was of course the expected lengthy discussion on what he had done (or tried to do) for the Agency in the past and an undoubtedly sincere effort to impress upon me that he was ready and willing for any task he might be called upon to do in the future.
- 3. Artime made only one request—a rather passionate one—for financial assistance for the immediate family members of two Movement for the Recuperation of the Revolution (MRR) members who were executed so the result of operational missions to Cuba and the wife of another who is serving a 30-year sentence. (It will be recalled that Artime has been furnishing receipts for the \$3,000 he has been receiving in recent months claiming that the money goes to the families of MRR members who have lost their lives or been imprisoned while on MRR missions.) We are examining these three cases and if worthy will arrange for financial benefits under the "survivors and martyrs" section of the AMBUD activity.
- 4. Artime has a sterile Headquarters telephone number and a P.O. box address in Washington, D.C. He was not discouraged in maintaining a loose contact by telephone or correspondence if he had any items of interest to pass along and was assured that if he ever had any "new" ideas, if he put them in writing, they would be studied. It was, however, made very clear to him that his formal association with the Agency was terminated and that there was no prospect of any financial assistance in the foreseeable future.

My signature as affixed hereto represents a quit claim absolving the Organization of any financial or other responsibility for myself and above-described organizations and members thereof. Should there be any future claims, I have been advised to submit in writing to the Organization any such claims I or any organization I now direct or have directed during my association

MANUEL GUILLOT: Este señor es el padre de Manuel Guillot Castellanos, fundador del Movimiento, que trabajo para el MRR y para la "Compañía" durante los años de 1959,1560 y1961, hasta el 30 de Agosto de 1962, en que fué fusilado por la Tiranía Roja en Cuba.

Pue torturado y murió sin decir el nombre de los rectores del Clandestinaje Cubano que el conocía. Pue infiltrado en Cuba por la "Compañia" varias veces, una de ellas, su ultimo viaje en que fue fuellado.

Ech Manuel Guillet padre tiene 65 años de edad y su esposa, que vive, es paralítice y sólo se Milve con aparates ertopedicos. Este pobre viejo no puede hacer trabajo físico y su mujer es invalida. Sectros le estabamos pasando \$300.00 mensuales. No veo forma en que este hombre pueda hacer etro trabajo que el que hace, de oficinista. Su esposa ha sido sometida a tres operaciones quirurgicas y el médico dice que necesita una más.

parte de armas y "Teams de infiltracion" que meron a Cuba antes y después de Bahia de Cochinos. Esta pobre mujer esta sola en el mundo con dos hijos. Ella esta recibiendo tratamiento Psiquiatr: se El MRR le pasa 125 dolares mensuales. Ella no puede abandonar su hogar con los dos hijos para ir a trabajar. Su esposo fue fusilado el 12 de Octubre de 1961 y murio sin decir el punto por donde entraban las armas y los hombres de la "Compañia" en Cuba.

ROSA RABASA: es la esposa de Francisco Echeverria Texier, condenado hace 6 años à 30 años de Presidio por los esbirros rojos. Esta mujer es sorda, solo puede coser en su casa para mantenere se ella y los dos hijos que tiene. No le es suficiente y el MRR le pasa \$75.00 delares mensue les. Este hombre (su esposo) trabajo intensamente con la gente de Francisco, transportendo las armas que la "Compañía" metía en Cuba.

En todos estos casos, que son desesperados, el MRR ha costeado hasta los tratamientos médicos.

Para la mayor tranquilidad de los hombres que hantrabajado y trabajan con la "Compañia", seria conveniente que esta gente no pasaran hambre y miseria, ya que han sido sus parientes muertos e presos, hombres que han servido lealmente a la COMPAÑIa y han dado ejemplo de valor y de albhe-gación; bien distinto de los "héroes" de hoy que van a la Televisión cubana cuando son capturados para hablar mal de la causa anti-comunista, de los EEUU y de la "COMPAÑIA".

DISPATCH Chief of Station, San Jose BERLUDEN DRIKEDER SE 250 DALLY OUALIFIED DESK Chief. WH Division CAN JUDGE INCEAUG Chief of Station, Hanagua 20-267437 AMBIDDY-1 Discussions with Trank MARSHALL and Daniel ODUBER REFERENCES: ٨. HRS-3845, 12 December 1966 HNHW-1930, 19 December 1966 1. AMBIDDY-1 gave the following information to James D. ZABOTH in Managua on 15 December 1966 and was told to pass it on to his Headquarters contact for proper handling and distribution. This report is forwarded as a follow-up in case the information failed to get into proper channels, as it has a direct connection with Reference A and is a sequel to Reference B. 2. Between 7 and 13 December 1966, AMBIDDY-1 talked three times with Frank MARSHALL, at the latter's request. MARSHALL first called AMBIDDY-1 and asked if they could meet at MARSHALL's office to talk about the possibility of MARSHALL investing in the business proposition in which AMBIDDY-1 was involved. (A concession for a commercial record player with a television type screen on which scenes are displayed which are supposed to be synchronized with the music.) After two such meetings, which AMHIDDY-1 described as "get-acquainted" and "feeling-out" sessions (the two men had never met in person praviously), MARSHALL asked if he could visit AMSIDDY-1 privately in his hotel room. They met on 12 December 1966 at AMBIDDY-1's suite in the Gran Hotel in San Jose. continued ... 10 January 1967 MICROFILMED JDZABOTH: wcg JAN 16 1967 Distribution: DOG, MICHO, SEE 2 - COS, San Jose 2 - Chief, WHD 201-263437 B-201-51919 CS COPT 0-53-9-8 DISPATCH SYMBOL AND NUMBER CROSS REFERENCE TO JAN 11 1967 HNMA-3735 CLASSIFICATION HOD FILE NUMBER S-E-C-R-L-T

HARSHALL said he knew AMBIDDY-1 had some weapons. AMBIDDY-1 replied that the weapons in Micaragua had been given to the Gicaraguan Government, but MARSHALL continued to press the point, saying he knew there were others. AMBIDDY-1 at last reluctantly admitted that he did have and the few more scattered around under tight security (he says this is not true, in fact), but indicated that he had other plans for their use. MARSHALL said he did not care where they were or what they cost, he would buy them. AMBIDDY-1 asked him why he wanted weapons so badly, and MARSHALL replied that he was always in the market for weapons. AMBIDDY-1 said he was aware of that fact, but this did not sound like just another routine business deal. He went on to say that he would not even consider releasing any of his arms without knowing where they were going and for what use, and that he had heard that MARSHALL had sold weapons previously to the Communists. He would have nothing to do with such an operation, regardless of any possible profit in it. He tried to elicit as much information as possible, but got very little. MARSHALL said they had a common friend in General SOMOZA, to which AMBIDDY-1 replied that this was fairly recent as SOMOZA and MARSHALL had been bitter enemies up until about the last three years. AMBIDDY-1 said he had to know how many arms were wanted, when, where, and for what purpose. MARSHALL said he wanted all he could get, as soon as possible, in Costa Rica, and the reason was that he knew a coup was being prepared and he wanted to get his own people ready in time. AMBIDDY-1 said he would have to think about the proposition and would give him an answer in about three weeks. (He intends to stall and make no commitments, hoping to draw out more information. He will not agree to sell any arms.)

- a. On 7 December 1956, AMBIDDY-1 talked with Daniel ODUBER at the latter's office. ODUBER said he was worried about all the talk of coup plotting, weapons and other indicators of possible violence. ODUBER again mentioned to AMBIDDY-1 that he had a finca on the Pacific Coast near the Nicaraguan border which has an airstrip adequate for a C-46 or C-47 type aircraft, and made an effort to feel out AMBIDDY-1 about the possibility of landing arms on that airstrip. AMBIDDY-1 was noncommittal and ODUBER did not press the point.
- 5. AMBIDDY-1 said (as his opinion) that he had gotten the impression from talking with MARSHALL and ODUBER that. ODUBER is pushing MARSHALL to stage a coup attempt in the hope that he, ODUBER, can step in at the right time and claim, the Presidency. ODUBER considers Jose "Pepe" FIGUERES to be his main rival in such a plan, however. He seems to think the TREJOS administration is doomed in a matter of time.

El Dr. Alvarez Tormo estuvo el domingo y el lunes y el martes en Miami.
El motivo de su visita:

1-Contacto con amigo de Carlos en Mejico deficiente. Solo puede hablar con el contacto cuando este lo llama por telefono, y esto lo hace muy de tarde en tarde. Pay cosas urgentes que el espia de la embajada cubana le plantea, que el no puede decidir sin hablar primero con el amigo de Carlos. Por ejemplosle planter ron un viaje clandestino a Venezuela.

Seria conveniente que Alvarez Tormo pudiera llamar un telefono cada vez que necesite ver al amigo.

2-los agentes de la Embajada cubana temieron una ruptura con Mejico hace dos semanas y le comunicaron a Alvarez Tormo un sistema de comunicaciones de emergencia, que te envio adjunto en la propia letra de Alvarez Tormo. Antes de venir Alvarez Tormo, el cubano le dijo que la situacion critica con Mejico habia pasado, pero que guardara el sistema de emergencia hasta despues de la "Reunion de Presidentes Americanos"

3-Como vez, le ensenaror a Alvarez Tormo hasta un lugar donde el podía recibir "material" (es deciraPropaganda, materiales de sabotaje, armas etc.)

3-Creo que esto bien trabajado puede dar un resultado formidable, pero creo que si el contacto en Mejico no funciona, Alvarez Tormo va a terminar por evadir lo que para el significa un peligra para sus familiares en Cuba.

4-Ya en Cuba trasladaron al hermano de Alvarez Tormo de la Prision para una granja donde la vida es mas comoda y la familia lo puede ver.Le han traido noticias de su hermano.

MEMORANDUM:

SUBJECT: Subversive and Political Activities in Central America

Source of the following information is a prominent Cuban exile who is a fairly reliable reporter. He has a large number of direct and indirect contacts with influential Latin American nationals. Source acquired the information from discussions held with the individuals mentioned, during the month of December 1966.

During a conversation with Frank Marshall in early December 1966, source learned that Marshall wanted to buy arms and asked source to supply them. Marshall said that he needed them for what he called "an expected revolutionary outburst from one moment to the next in Costa Rica", and he did not want his "private arsenal" to be smaller than the arsenals of the Calderon Guardia group, Pepe Figueres' group, Oduber's group and the Communist group. Source asked Marshall when he needed the arms and Marshall answered NOW. Source replied that he would need at least three weeks to think about Marshall's request and then be would give Marshall an answer. After considering what source had said, Marshall replied, "okay, I can give you one month to give me an answer but no more." Source believes Marshall is in a plot to overthrow the Costa Bican Government. In source's opinion "the situation in Costa Rica is very bad because the president does not have a definite political group to support him and therefore is in the hands of diverse groups; Calderon Guardia, Ulate. Bohandi, Frank Marshall etc., who respond to their own sectarian interests and not to Costa Rica, and who respond much less to President Trejos. The Partido Liberacion Macional, (PLM) is expecting a coup d'etat and plan to counter-attack and stay in power."

In a consersation with Daniel Oduber in early
December 1966, source states that Oduber "spoke badky possit
Don Pope Figueres and "Chico Orlich". Oduber said that
"they wanted to eliminate his presidential aspirations for
the coming campaign and postulate Don Pepe again."
Oduber said that "they (Don Pepe and Orlich) were the

I'm lucky that they are stupid and that they are not aware
of the fact that an attack is being created and they are
not prepared for that emergency. I am prepared." Oduber
then told source of an airfield on his farm close to the
